# "Passing Over" into the Perspective of Others

What is the first book  
you remember when  
you felt empathy?

40% decline in  
empathy among our  
young people

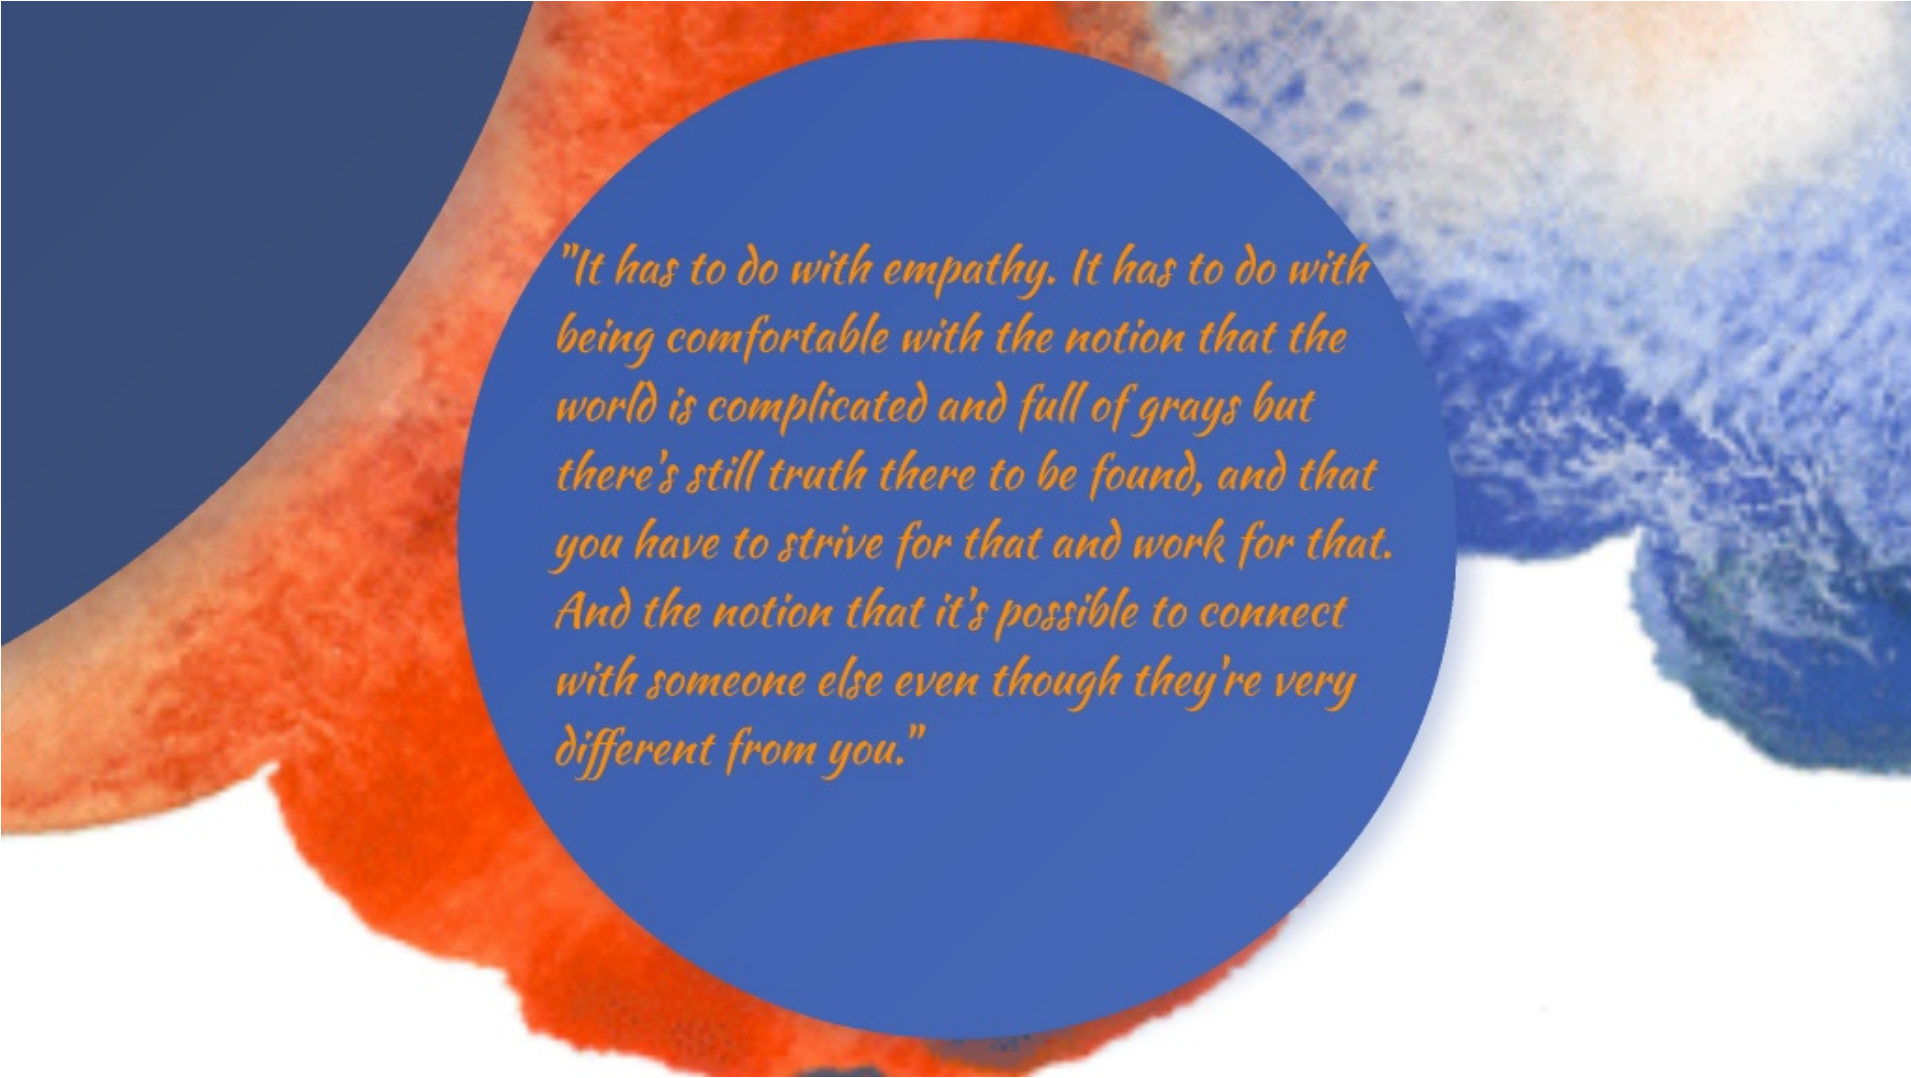

# "The Giving Tree"

"cognitive patience"

*"It has to do with empathy. It has to do with being comfortable with the notion that the world is complicated and full of grays but there's still truth there to be found, and that you have to strive for that and work for that. And the notion that it's possible to connect with someone else even though they're very different from you."*
